

# POLYFLEX® PUR-125-GU SOFT-TOUCH

Added Value  
POLYFLEX®  
Powder Coatings

**POLYFLEX® PUR-125-GU powder coatings produce stylish, high-quality surfaces that give products a premium look and touch.**

KABE powder coatings are applied to a wide variety of products and substrates for protection, surface finishing or decoration. POLYFLEX® PUR-125-GU coatings can be used both indoors and outdoors and offer very good outgassing properties.

KARL BUBENHOFER AG

# POLYFLEX® PUR-125-GU – powder coatings with a premium look and touch

*POLYFLEX® PUR-125-GU are the perfect powder coatings for high-end products both indoors and outdoors. They create matt, velvety surfaces with a premium touch and appearance. The coatings are durable and resistant to UV light.*

**PLEASANT  
APPEARANCE  
AND FEEL**

**SOFT  
TOUCH**

The coatings have a high-quality, elegant finish that feels pleasant

**INDOOR AND  
OUTDOOR USE**

The coatings are resistant to UV light and highly durable

## **POLYFLEX® PUR-125-GU**

**smooth finish, outgassing, matt, soft touch**

Art. no.: 12752

Matt, polyurethane-based powder coating with excellent outgassing properties. The coating has a unique „soft touch“ feel, excellent resistance to light and weathering (UV resistance), ideal flow properties and very good covering power. The cross-linking process produces no reaction-by-products.

## **POLYFLEX® PUR-125-GU Pearl-Metallic** **smooth finish, outgassing, matt**

Art. Nr.: 13321

Pearl-metallic effects produce an even more stylish finish that creates reflections depending on how the light falls on it. The coatings are polyurethane-based and have excellent outgassing properties, very good resistance to light and weathering (UV resistance), ideal flow properties and very good covering power. The cross-linking process produces no reaction-by-products.

### **Applications**

- Vehicle components
- Cycles
- Machines
- Devices
- Equipment
- General outdoor use

### **Colours**

A very wide range of colours is available

### **Properties**

- Matt
- Very good flow
- Surfaces with an elegant look and feel
- Velvety finish
- UV resistance
